CRISIS/RISK MANAGEMENT
August 2018
Crisis Scenario Exercise

- A campus-wide exercise to evaluate and improve our emergency operations plan.
- October 26, 2018 8:00am-8:00pm
- Main campus and Field of Dreams
- Registered participants representing Unity faculty, staff, student groups and local stakeholders.
- A simulated weather event and a few other simulated disruptions will be presented to the exercise participants for them to evaluate and to determine the best course of action.
Crisis Scenario Exercise

- Exercise evaluators, controllers, and observers will help maximize the learning outcomes for the college.
- Communications Plan inclusive of dates and constituents will be shared by September 17th.
- Some advance information may be deliberately withheld to ensure integrity of the exercise.
CRISIS SCENARIO EXERCISE

• Do you have questions about the exercise?
  • Answers will be shared with the campus by September 17.
  • Submit questions online at: http://bit.ly/2Bu30Rd

• Are we expecting students to be involved? Will operations be as normal that day and people participate as they choose? Or will the entire day be restructured based on the event? Will people be allowed to leave campus during the exercise? Why this particular type of event?
